Office Note.

Letter No 521 dated 2nd February/97 from the Superintendent, Mysore Revenue Survey, submitting for favorable consideration the case of Srinivas Rama-chandra, late Karkun in his office, relating to his pension.

——"——.

According to the Service Register of the above named official, received from the Supdt, Rev. Survey, the total length of his service, excluding the period of 6 months and 13 days sick leave, which is not reckonable as service, amounts to Yrs. M. d 11-5-25, of which Y. M. d 2-2-12 were Inferior and Y. M. d 9-3-13 Superior service. The latter period being short of 10 years to entitle

him to a superior pension
by 8 months and 17 days,
Col: Grant brings to
notice the fact of the
applicant having lost
his eyesight and of
his having rendered
some Inferior Service
irrespective of the
Superior service referred
to; and recommends
that he may be granted
the pension which
10 years' Superior service
would entitle him to

not 5 1/2 months as
stated by the Supt.

There is no provision
in the Imperial Service
Regulations for condoning
a deficiency in service
The British Civil Service
Regulations, however,
provide for the same
Please see rule (2) (a)
of art 465 A of these

Regulations (copy putup)
If the Govt are pleased
to extend that article
to the Applicant's case
then the deficiency of
8 months and 17 days
in his Superior service,
to make up 10 years for
pension, may be made
good from the Inferior
Service rendered by him,
it being within the
limit therein prescribed
for. In that case the
pension for the 10 years
service would amount
to Rs 3/7/4 - But as
the Applicant commenced
his Superior Service from
1st April/87 and
he attained the age
of 40 years, the above
amount is reducable
by 4/40 ths or Rs 0/15/3
under art 321 of the Inferior
Service Regulations

⊗ Date of birth
15th January/47.

The net amount of pension admissible to him will therefore be Rs 2/8/1 per mensem. Subject to the service being verified by the Comptroller & Auditor General.

Sir

* with its enclosures

2 Briefly the facts are that Shrinivas Ramchandra a Karkun employed in the Head Quarters Office has be-come permanently incapacitated for

for further service owing to loss of sight, as certified by the civil Surgeon Bangalore This Karkun has 2 years and 2 1/2 months inferior service and 9 years 6 months and 12 days Superior Service. Only some 5 1/2 months more superior service would have entitled this man to draw a small pension of about Rs 3.

3 The case is a very sad one calling for some relaxation of the Pension Rules and I beg to recommend that he may be allowed the pension which 10 years

years Superior Service would
give him. If this recommendation
be approved by Government
I will have Pension Statements
prepared in the usual manner

MEDICAL CERTIFICATE

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows:—

Certified that I have carefully examined Shriniwas Ramchandra Kamat son of Ramchandra Rao Kamat in the Mysore Res. Survey Office. His age is, by his own statement, 50 years, and, by appearance, about 50 years.

I consider him to be completely and permanently incapacitated for further service of any kind (~~or in the Department to which he belongs~~), in consequence of loss of vision. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

(~~If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made:—~~)

~~I am of opinion that [redacted] is fit for further service of a less laborious character than that which he has been doing, (or may after resting for [redacted] months, be fit for further service of a less laborious character than that which he has been doing.)~~
